Closing

We must blow the trumpets at the beginning of our months. This is when our God had mercy on us, forgave us, and saved us. Blowing the trumpet one time was to gather the people. The prophets gather the people by teaching in the streets, and teaching repentance. Blowing the trumpet more than once was an alarm (a warning). The prophets go out into the streets and show people their sins. They are given a warning that if they don't repent, they will die. The same way TMH helped our forefathers, he will help us, as long as we keep the commandments. The trumpet will be blown when Christ gathers us together, and the dead in Christ will rise first.
